

FOREST & FARM PLANTATION MANAGEMENT COOPERATIVE

EXECUTIVE SUMMARY

USA FORESTRY STUDY TOUR BACKGROUND NOTES PART II – SOUTH EAST

J.D. Tombleson

Report No. 85 October 2002

This report contains background notes for a USA forestry study tour held 21 September to 9 October 2002. This report (Part II) specifically contains background notes of the South-East component of the tour. Part I (see report No. 84) contains background notes on the Pacific North-West component of the study tour. Background information provided focuses on facts and figures relating to forestry in the South-East, along with background information on the host organisations including: Plum Creek Timber Company, International Paper, Boise Cascade, and Georgia-Pacific. The report also contains the itinerary and list of the 24 participants of the forestry study tour.
