

Registration Form for All Four Workshop Days

Professional Development Courses *in* Forest Engineering

School of Forestry, University of Canterbury

These 1-day courses are designed to provide up-to-date information in a structured learning environment for practicing foresters. Please see separate flyer for course content detail. Each course is to be held in room F1 in the School of Forestry, University of Canterbury, and starts at 8:30am, finishing approximately 4pm. The cost is \$1150 (incl. GST) for all 4 workshop days. Cost includes all teaching materials, use of SOF facilities, as well as lunch and refreshments.

Mon 28th Aug: ***An Introduction to LiDAR analysis in ArcGIS.***

Tue 29th Aug: ***Designing culvert stream crossings and reduced-impact roads***

Wed 30th Aug: ***Cable Logging and Harvest Planning – including CHPS.***

Thu 31st Aug: ***Working on Steep Slopes – including Cable-Assist.***

Course number is capped at 30 for each day, but will not run with less than 12 people. Upon receiving your registration form we will let you know ASAP that you are on the list. An invoice will be emailed as soon as a course has 12 participants. Final participation is only confirmed upon receiving payment.
