2025 YOUTH MICRO INNOVATION CHALLENGE

SUPPORTING FORESTRY'S NEXT GENERATION OF INNOVATORS

Calling all creative forestry students, graduates, & young workers! Want to help our industry? Got a great idea or two?

Innovative tools, smarter practices, or new tech - Bring your idea to life! Be in to win **$10,000** to build a working prototype

No long proposals, just tell us how your innovation will improve forestry, build costs, and how long (12-weeks)
